

STEMRAD®
Radiation Protection on Earth and Beyond

SO YOU HAVE A BUNKER. **BUT HOW DO YOU GET THERE?**

The StemRad 360° Civilian Version.
Your critical radiation protection On-The-Go.

At Home

Having your radiation protection at home* allows you to get to your bunker safely.

*For maximum protection, each family member should have their own unit.

On the Road

The 360° Civilian Version can be safely secured in the back of your car, so that you can easily wear it on the way to your safe haven.

At the Office

The 360° Civilian Version protects you even if disaster strikes when you are in the middle of your work day.
